

Community Meeting: Refurbishment of FHS MUGA

Monday 31 March 2025, 6.00pm

ASPIRING TO EXCELLENCE TOGETHER

Purpose of the Meeting

- To share our plans for refurbishment of the MUGA (multi-use games area)
- To ensure this project meets the needs and expectations of the community
- To give the local community a chance to ask questions and share your thoughts

A bit of background...

- Forest Hill School is a community school for boys serving a diverse demographic
- Health and wellbeing sit at the heart of our pastoral care programme
- Currently we have no green space; students travel to Elm Lane for PE/Games
- Our three playgrounds have a concrete macadam surface
- We wish to update our facilities to match neighbouring schools

Current Playgrounds

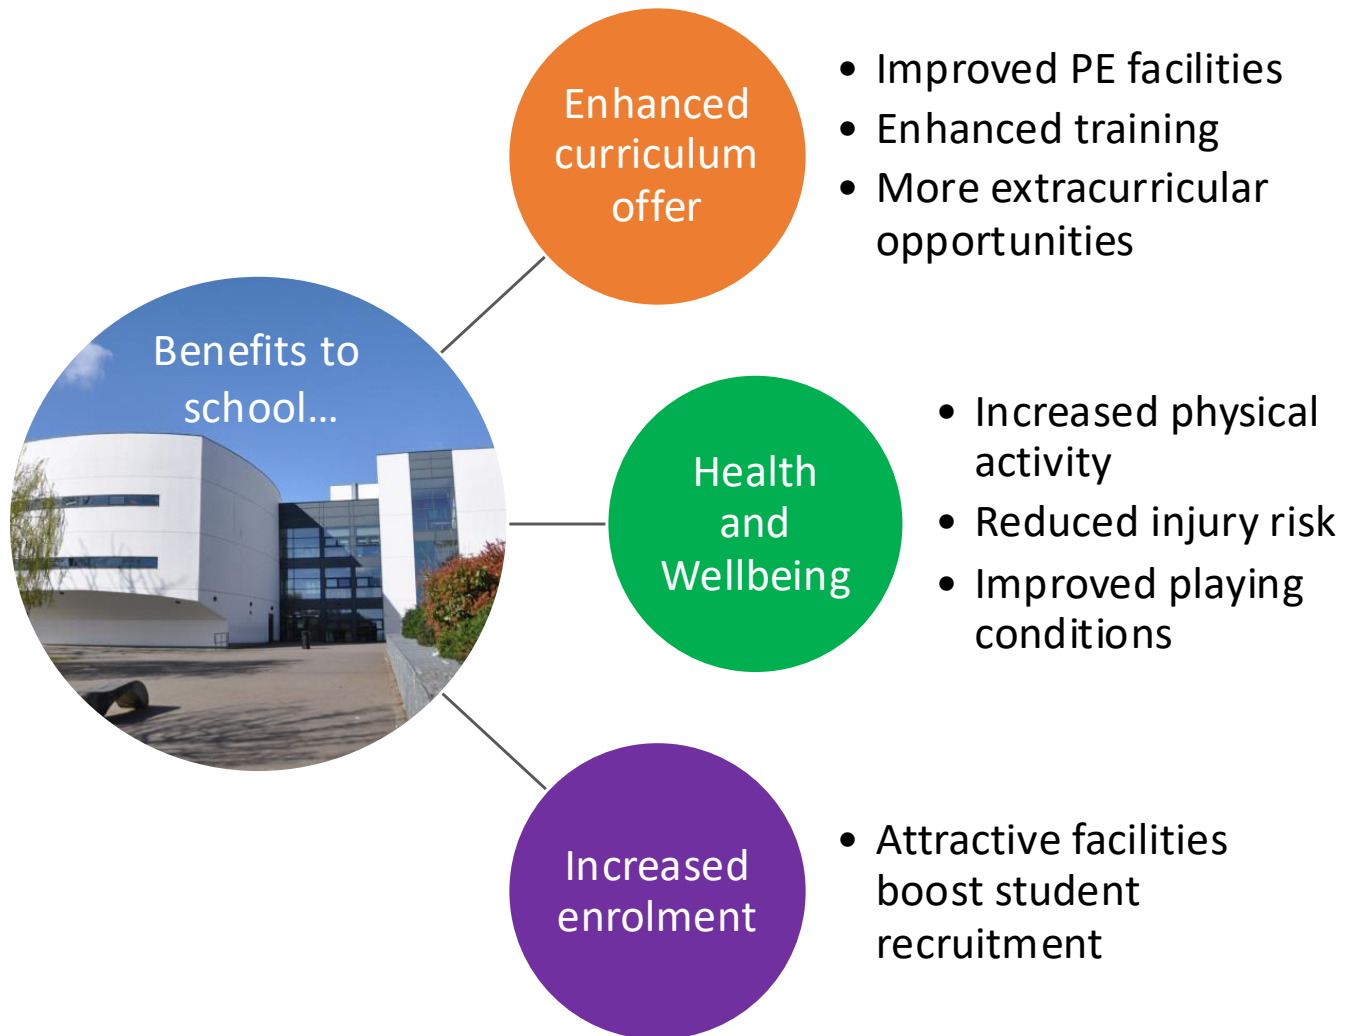

The Proposal

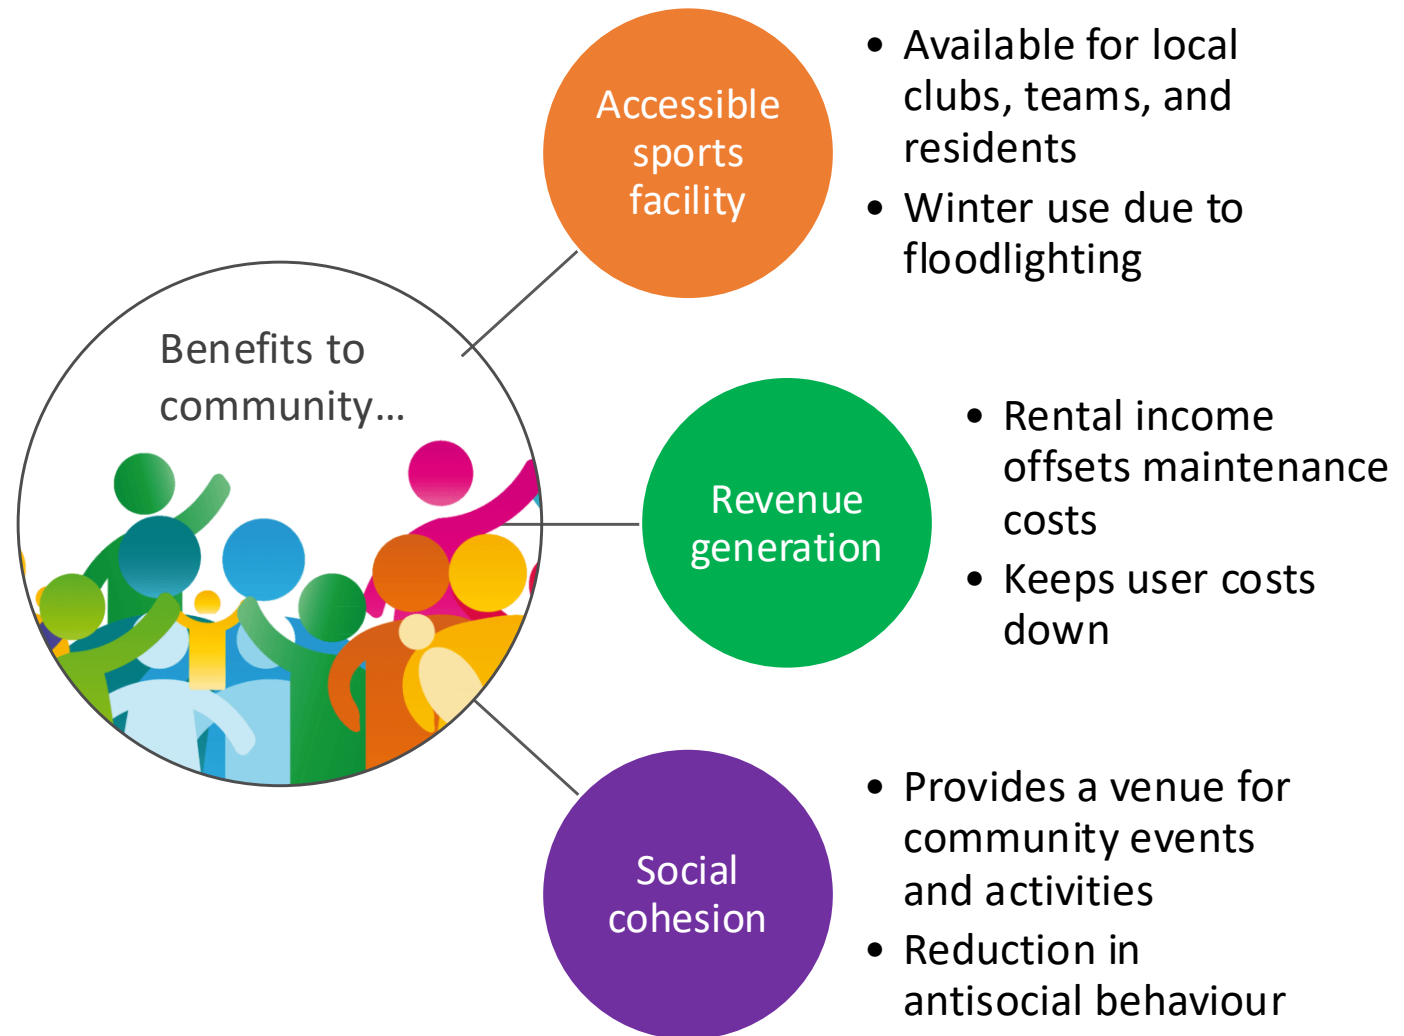

- Installation of 3G artificial turf surface
- Addition of floodlighting
- Upgrade of fencing and access points
- Pitch marking
(1 x 7-a-side or 2 x 5-a-side football pitches)

Rationale

Rationale

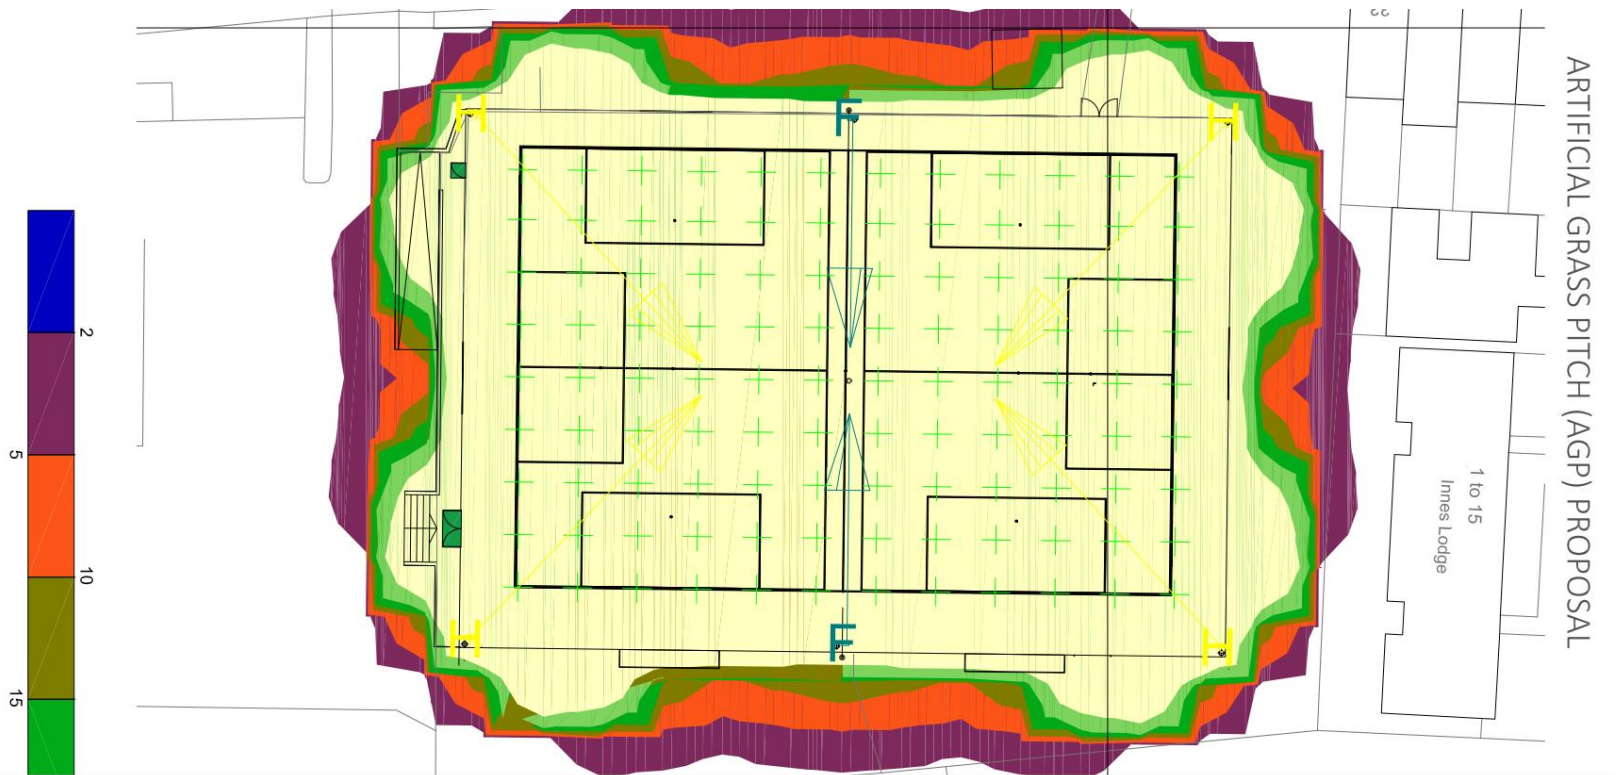

The Plans

Mitigation

- Downward facing floodlights ensure low level lighting will not spill over school boundary

Mitigation

- Ecological reports have been completed to ensure no impact to local wildlife as a result of the development.
- Trees and roots from surrounding vegetation have been surveyed to ensure no adverse effects.

The End Result...

A high-quality, all-weather, state-of-the-art 3G football pitch for our students and local community – promoting physical activity, community engagement, and potential revenue generation.
